LOT 2542 - VIZIO - 70" Class V-Series 4K LED HDR Smart TV

Item Condition Open Box - Tested

Description

Missing Parts?: Unknown Assembly Required: No In Packaging?: No Functional?: Yes
UPC: 845226021923 Weight: 54.45lb Damaged?: No The Vizio M Series Quantum X 2022 is a mid-range 4k TV released in 2022. It's part of Vizio's lineup that they label as 2023, and it sits alongside the Vizio M6 Series Quantum 2022, which is a budget model with fewer features and reduced picture quality. It's a new TV in Vizio's lineup, but it has many of the same features as the Vizio P Series Quantum 2021, including the Vizio SmartCast system, variable refresh rate (VRR) support, and eARC support.
Specifications Resolution: 4K Size: 69.50 Weight: 58 lbs

Quantity: 1
