LOT 1641b - Airthereal MA10K-PRODIGI Digital Ozone Generator 10 000mg/hr High Capacity O3 Machine Odor Remover

Item Condition New

Description

Ionizer - Adjustable Settings for Any Size Room Blue POWERFUL CAPACITY: With a max ozone output of 10 000mg per hour this ozone generator packs a punch compared to smaller-output units. Not just for home use the MA10K-PRODIGI is perfect for larger areas like offices restaurants classrooms gyms hotels garages and more ODOR ELIMINATOR: Ozone is a very powerful deodorizing agent which removes leftover odors from smoke cooking pets and general musty smells EASY CONTROLS: Extra buttons and settings make things confusing. With only 5 buttons on the control panel and an easy-to-read LCD display you can get your ozone generator up and running in seconds EXTRA LONG TIMER & BULLETPROOF CASE: For tough odors the upgraded timer on MA10K-PRODIGI allows you to produce ozone for up to 12 hours to eliminate the toughest odors and nastiest smells. Bulletproof may be a stretch but designing the case from 304-grade stainless steel makes it anti-corrosive easy to clean WORD OF WARNING: All ozone generators should only be used in unoccupied spaces. Don't let people or pets enter the area until 30 minutes after ozone generation ends. Not available for sale in California; EPA Est. No.: 94720-CHN-1
