360Rotation 5 Microfiber Mop Pads 1 Br**

Item Condition New

Description

ush Head Hardwood Floor Cleaning System Blue 360Rotating Mop: Ideal for New Year gifts! The mop can be rotated 360with high applicability and can reach every corner and gap of the floor. Can effectively remove stubborn stains and dust. And you can adjust the grip to extend and contract during use so you do nt need to bend over to cause back pain. Convenient foot pedal function: This product adopts labor-saving foot pedal function while wringing manually. The foot pedal is made of solid material. You don't have to worry about the foot pedal breaking high durability and can be used effectively for a long time. The bucket with two wrung functions makes it easier and more convenient to use. Widely practical bucket: The bucket has a large capacity and the right side is equipped with a water outlet which is more convenient and simple when pouring water. The attached handle makes moving easier and more convenient. Firm and retractable grip: The grip is made of stainless steel metal material which is

firm and retractable. The rubber ring is mounted on the hand part which is more comfortable and convenient to use. There is a lock at the bottom of the handle which is convenient for expansion and contraction. It can be adjusted and fixed according to the use place of the bucket. 5pcs Mop Heads & Extra Brush Head: The mop head and brush head are made of environmentally friendly materials which can not only effectively stain but also easy to clean.
