LOT V17b - RIDGID 18V 12.0 Ah MAX Output EXP Lithium-Ion Battery

Item Condition New

Description

Item Condition : New Damaged?: No In Packaging?: No Assembly Required: No Missing Parts?: No Functional?: Yes UPC: 648846082721 RIDGID introduces the AC840120 18V 12.0 Ah MAX Output EXP Lithium-Ion Battery. Experience extreme performance in the toughest jobsite applications with RIDGID 18V MAX Output EXP Batteries. RIDGID MAX Output EXP batteries utilize advanced intelligent electronics to optimize performance by creating a communication system between both tool and battery. MAX Output EXP batteries features ThermaGuard Technology which combines oversized heat sinks with advanced intelligent electronics to keep the battery running cooler, prevent overloading, and protect individual cell performance. Additionally, laser welding had been added to this 12.0 Ah battery to increase durability and enhance performance. To shield against the toughest jobsite conditions, this battery is constructed with a durable reinforced housing. Best of all, this battery is backed by the Industry's Best Lifetime Service Agreement, simply register within 90 days of purchase for FREE Batteries, FREE Parts, Free Service, For LIFE.. Up to 3X More Power. Extreme

Performance when Paired with Brushless Tools. Free Parts and Service for Life with Registration. MAX Output EXP batteries are the most powerful batteries RIDGID has ever built. Premium 21700 Lithium-Ion cells are engineered to maximize runtime and deliver up to 3X more power in high demand applications. Advanced Intelligent Electronics communicate directly with the tool to provide optimum performance when paired with brushless tools. ThermaGuard Technology keeps the battery pack running cooler by utilizing advanced intelligent electronics and oversized heat sinks to remove built up heat. Laser welding for increased durability and enhanced performance. Durable pack design with reinforced housing shields the battery against tough jobsite conditions. Integrated LED fuel gauge monitors runtime. Lifetime Service Agreement with registration within 90 days of purchase. Includes: AC840120 12.0 Ah MAX Output EXP Lithium-Ion Battery and Operator's Manual. RIDGID: Build for a Lifetime. Click here for more information on Electronic Recycling Programs . Battery Power Type: Lithium Ion. Charge time (min.): 180. Charger Included: Charger Not Included. Color Family: Black. Number of Total Batteries Included: 1. Power Tool Accessory Type: Battery. Power Tool Features: No Additional Features. Rechargeable: Yes. Used with Equipment Type: Utility. Voltage (V): 18 V. Product Height (in.): 3.35 in. Product Length (in.): 6.06 in. Product Width (in.): 3.3 in

Quantity: 1
