### Description

\$110 Our Cabela's Tough Dog Bed is ideal for pets that chew and scratch. Made from heavy-duty 900-denier polyester ripstop canvas, this pet bed includes double-stitched seams to deliver the toughness to stand up to rambunctious pups. Seamless corners and a hook-and-loop closure over the zipper eliminate common chew targets, and the removable cover is great for water-loving dogs, older pets, and excitable puppies. The high-loft MemoryFiber uses 100% recycled fibers for an eco-friendly design, and a liner features chambers to keep the fill from shifting, ensuring your pet remains elevated off cold floors and enjoys relief for their joints. Imported. Rugged 900-denier polyester ripstop canvas with double-stitched seams. Seamless corners and a hook-and-loop hidden zipper eliminate chewing targets. Super-tough bed stands up to restless dogs that scratch and chew. Removable, Waterproof. Cover cleans up easily. High-loft, eco-friendly MemoryFiber fill. Chambers prevent fill from shifting.
