LOT X-51-D - Bass Pro Shops Thermal Fleece Long-Sleeve Crew-Neck Top for Ladies - Black - L

Item Condition New

Description

\$20 Here's an easy way to stay warm for less, and it's a great gift for women who love the Great Outdoors. Our Bass Pro Shops Thermal Fleece Long-Sleeve Crew-Neck Top for Ladies features a lightweight, breathable, low-bulk design that makes it work well as a base layer. You can also wear this Bass Pro Shops top all by itself. Either way, you'll love the way it wicks moisture so you always stay dry and warm. The smooth exterior minimizes friction when layering, and a lofty fleece interior provides next-to-skin softness. Odor-fighting enhancements keep this women's base top fresher between washes and over time. Design details include a crew neck for comfort, tapered openings on the cuffs and waist to keep this women's base-layer top from pulling up

when adding another layer, and triple-needle flatlock stitching for durability and comfort. 100% polyester. Machine wash. Imported. 100% polyester. Lightweight, breathable, low-bulk design. Great as a base layer or by itself. Smooth exterior for easier layering. Lofty fleece interior with next-to-skin softness. Moisture-wicking. Crew neck. Anti-odor enhancements. Tapered openings on cuffs and waist. Triple-needle flatlock stitching.

Quantity: 1
