

Sale Name: Online Auction - Galax - July 12th

LOT G108 - 1000 CFM Mill Power Roof Mount Attic Fan

Item Condition New(other)

Description

\$115 The GAF Master Flow ERV4 Power Roof Vent is a great overall investment in attic ventilation. It can quickly remove a larger volume of hot and/or humid air from your attic when compared to static ventilation. This in turn can help save money on your heating and cooling costs. The ERV4 model Power Roof Mount Vent can move air at a rate of up to 1000 cu. Ft. Per minute. It is designed for attic spaces up to 1600 sq. Ft.. Don't know how much to order? A GAF QuickMeasure report provides all of the measurement data you need when planning your material orders. A complete bill of materials, with Home Depot product SKUs, is provided with each single-family report delivered in under 1 hour. Learn more here. Gaf.com gaf.com . Helps reduce energy costs and helps prolong the life of the roof and shingles. Galvanized steel construction for durability. Excellent for roof slopes 3:12 to 12:12. Heavy-duty internal screen helps prevent animal infestation. UL Listed. Miami-Dade County Product Control approved, State of Florida approved, and meets or exceeds the requirements of Texas Department of Insurance. Optional humidistat available (H1) - sold separately.
