LOT P25 - Buture Cordless Stick Vacuum Cleaner 55mins 450W 38Kpa with Touch Display Stick Vacuum for Home Pet Hair CarPets Hard Wood Floor Detachable Battery

Item Condition New

Description

Size: One Size \$370 Smart Touchscreen and Blockage Reminder The LED display shows the remaining power, suction power and blockage reminder of the cordless vacuums in real time. Suction can be adjusted by sliding the touch screen easily. Once clogged, a white light on the screen will light up and vacuum automatically shuts off, reminding that it needs to be cleaned to restore optimum performance. 38KPA&450W Powerful Suction Cordless vacuum cleaner is equipped with a 450W brushless motor and various brush accessories, the service life of brushless motor is 5 times longer than that of brushed motor! Its powerful suction power of up to 38KPA can remove fine dust and dirt at one time, giving you a quiet and efficient cleaning experience. 55min Running Time and Detachable Battery Vacuum cleaner pet hair with 7 * 2500 mAh batteries to ensure a cleaning time of up to 40-50 minutes. (NOTE: 40-50 minutes at low suction). The battery can be removed and replaced with one button. Fully charged in 4 hours. 5-

Stage Filtration System and 1.2L large Capacity Compared with the traditional 4-stage filtration system, Stick vacuum adds an extra air filter, which can filter dust and release clean air. The 1.2L large dust cup can accommodate more garbage and vacuum cleaner pet hair at one time, making cleaning more convenient. Portable and Multifunctional Cordless stick vacuum is equipped with a soft and hard bristled integrated brush, reducing the inconvenience caused by frequent roller replacement. Equipped with crevice brush, round brush and telescopic tube, you can easily clean dust or pet hair from ceilings, sofas, carpets, hard floors and crevices. Extra gift Choose our vacuum cleaner, you can also get 2 additional HEPA air inlets. (The machine itself comes with one, and the extra two are placed separately as a gift). Included Components: Hepa filters*3 Brushless motor 7 x 2500mAh battery Electric floor brush Roller brush Dust container Telescopic tube Round brush Crevice nozzle Brush cleaning tool Charger Wall mount Instruction manual wireless vacuum cleaner 450W Powerful Brushless Motor, Provides 3 speeds to capture hair and debris on hardwood floors and carpets! Battery is removable for charging!.
