Description

\$13 Multifunctional Contour Stick Introducing our three-piece contour stick makeup, including blush, bronze and highlight, designed to give you a natural, healthy glow! With shades for blushing, bronzing and highlighting, the unique creamy formula and sheer color blend effortlessly on all skin tones. Long-Lasting & Waterproof Makeup Our innovative bronzer stick is made with a non-greasy, waterproof formula that prevents sweat from ruining your makeup. Provide you with a youthful and energetic makeup effect for haggard skin. It's perfect for everyday looks, as well as more high-end makeup styles for special occasions. Add a touch of exquisite radiance to your beauty. Easy to Apply Our cream contour is easy to apply. Using the contouring stick to apply it on the contour sides of nose, outer area of the cheekbones, and apply the highlighter stick to popout cheekbones, nose bridges, chins etc. Then use the blush stick on your both of cheeks softly. Whether you're a makeup pro or just starting to

learn, we believe you'll love our highlight makeup stick. Convenient and PortableThe exquisite design of our cream blush makes it more portable than a traditional palette, allowing you to carry it freely at any time or on any occasion. Whether it's in the scorching summer or humid environments, whether you're at work or traveling, do the perfect makeup for weddings, parties, dating, work, travel, and more. Ideal Gift If your friends and family want to enhance their makeup and facial definition, our cream contour stick can be a perfect gift for them. Giving them the gift of effortless beauty and let them shine on any occasion!.
