### Description

\$86 From trails to town, the KEEN Whisper Sandals for Ladies deliver comfort and protection over a variety of terrain. These lightweight KEEN sandals have thin polyester webbing uppers to reduce weight and dry quickly, and the fast-drying liners prevent chafing. A Contoured Fit gives these women's KEEN hiking sandals a secure fit that won't cause hot spots, and a lace-lock bungee system makes it easy to snug 'em up. EVA insoles offer fatigue-fighting arch support and the non-marking KEEN.FUSION rubber outsoles provide sure-footed traction. Finished with an Eco Odor-Fighting treatment, these women's sandals give you odor-fighting protection without any harmful chemicals. Whether you're fishing your favorite stream, trekking to a remote spot, or cruising around town, the KEEN Whisper Sandals for women are up to the task! Washable design. Imported. Polyester webbing uppers for lightweight performance. Anti-chafing liners dry fast. Contoured Fit with a lace-lock bungee system. EVA insoles provide arch support. Non-marking KEEN.FUSION rubber outsoles. Eco Odor-Fighting finish.
