### Description

\$35 Cardinals, finches, chickadees and more will all want to eat at the cozy Bed & Breakfast. This feeder is part of our extensive Village Collection that are all proudly made in the USA. Made of durable plastic that will last for years to come, it features a beautiful copper color roof with tiffany blue siding and dark teal trim, as well as welcoming details like a molded mailbox and flowerpot, Bed & Breakfast and OPEN signs. This large capacity feeder holds an extra-large 6.5 lbs. Of wildbird or sunflower seed. It is easy to clean by removing the large tray/perch, easy to refill with the lift-off chimney for mess-free pouring, and features clear plastic windows for monitoring seed levels. This versatile feeder can either be used as a hanging birdfeeder or pole mounted. It measures 9.5 x 10.25 x 14 inches high which is the perfect size for birds of all types.
