LOT B72 - Schwinn Bike Mirror

Item Condition New

Description

Dimension: Dimensions (Overall): 11.41 Inches (H) x 3.66 Inches (W) x 1.38 Inches (D)
\$13 Cruising right along, oh wait, look out what is that creeping up behind you and ready to ruin your ride? No worries, you have a Schwinn Cruiser style mirror on your bike so you can see the sneaker sneaking up behind you. This mirror will fit most bike handle bars and is simple to attach and remove. Having a bike mirror will help you view cars and other bikes coming up behind you without an uncomfortable twist of your head and torso. This is a safer answer to a common urban riding issue. The mirror has a chrome like finish and mounting stem so it will add to the beauty of your urban style or cruiser style bike. Enjoy the ride with Schwinn..
