LOT I-116-D - 25-Watt LED Lamp Light Bulbs 6500K 3700-Lumens with Built-In Bluetooth Speaker

Item Condition New

Description

\$10 Introducing Beyond Bright Soundwave, the ultra-bright garage light with built-in Bluetooth speaker that adds bright light and music to garages and dark areas. Beyond Bright Soundwave is quick and easy to install. Simply remove your current light bulb and screw Beyond Bright Soundwave into a standard light socket. Then connect to any phone or tablet. No tools or wiring required, The secret is Beyond Bright Soundwave's triangular center LED light that is designed to spread light evenly across the room. The 72 ultra-bright LEDs produce 3,700 Lumens of pure white light and are 300% brighter than standard 60-Watt incandescent light bulbs. Now you'll see everything clearly while listening to your favorite music or podcast. Beyond Bright Soundwave is energy-efficient, operating on just 25-Watt. Best of all, Beyond Bright Soundwave's advanced LED technology is designed to last for up to 30 or more years, Great for garages, basements, floodlight fixtures and more. Get ultra-bright light and sound anywhere you need it indoors with Beyond Bright Soundwave.. Actual Color Temperature (K):
