LOT N24 - 15 Amp Rolling Electric Wood Chipper and Shredder

Item Condition New

Description

\$114 Remember when you could completely decimate loose foliage. Show the sticks, branches, twigs and plants in your yard who's boss with the WEN 15 Amp Rolling Electric Shredder. This compact yet powerful wood chipper instantly turns your excess lawn clippings into high-grade garden mulch. The powerful 15 Amp motor rotates the two internal 7 in. Blades at a rate of 8000 cuts per minute. Combine that with the spacious hopper to take on branches and sticks up to 1.5 in. Thick. Our lightweight design combined with the 6 in. Wheels and handle make for easy transportation and storage between jobs. Internal safety mechanisms automatically prevent the wood chipper from turning on when the hopper is open. This package also includes two pre-installed blades, a push stick with onboard storage, and a collection bag. Amperage (A): 15 A. Bag/maximum load capacity (bushels): 11. Chipper blade material: Stainless steel. Chipper capacity (in.): 1.5. Commercial / Residential: Residential. Condition: New. Cord lock: No. Engine Torque (ft.-lb.): 3.6. Features: No Additional Features. Feed

capacity (in.): 1.5. Housing Material: Acrylonitrile Butadiene Styrene (ABS). Power Type: Corded Electric. Product Weight (lb.): 23.1 lb. Reconditioned: No.

Quantity: 1
