### **Description**

Size: 1 Pack Corner \$22 HASSLE-FREE INSTALLATION: Look for smooth, clean, and drywall. Take off the protective cover of the suction cup, press the suction cup to squeeze the air out, and they will stick firmly to the wall. You can finish the installation in 1 second. Shower baskets are only suitable for 90 corners, not for non-90 corners. If there are problems when first installing, wash the suction cup with warm water and try to install it on the smooth glass after it is dried with a hair dryer WARM TIPS: The suction cups only stick on smooth, non-porous surfaces like metal, glass, tile, stainless steel, and acrylic but do not apply to uneven tiles, texture plates, unfinished marble, wallpaper, painted wall, etc. DURABILITY & STRONG SUCTION: The corner shower caddy is made of premium thickened ABS material. Our suction cup, based on the bionics octopus sucker principle, is made of TPE material, which holds up to 22 LBS.

The shower organizer suction is waterproof and oilproof, so it can be used in the bathroom and kitchen. The small shower corner caddy measures 3.2"H x 8.7"W x 8.7"L  
UNIQUE ALL-AROUND DRAINAGE DESIGN: With drainage holes design, maximize air ventilation and water dripping away. Keep your bath products clean and tidy. The suction cup shower caddy is removable. It can be re-positioned many times and removed without leaving residues. You can also take it out for cleaning and even for a desk organizer MUFTI-FUNCTIONAL: No screws, nails, glue, or tools are required for installation. This shower caddy with suction cups is perfect for Bathroom & Kitchen Storage, such as shampoo, conditioner, shower gel, facial cleanser, loofahs, kitchen tools, etc., anywhere you need to tidy up storage.
