LOT G129 - SwissTech Navigation 36 Drop Bottom Rolling Duffel with Telescopic Handle

Item Condition New

Description

\$85 Travel to your next destination confidently with the Navigation collection from Swiss Tech. This Walmart exclusive collection offers a wide variety of travel options with 29-inch 25-inch and 22-inch hard side upright spinners 14-inch under seater bag and 36-inch rolling duffel bag. With these upright luggage pieces being made from a durable yet lightweight PC coated ABS material you can relax knowing that your hard side luggage piece will navigate the world as easy as you do. You will have plenty of room for any gifts or souvenirs with an added 2-inch zip-around expansion. Each upright spinner features a set of oversized 8-wheel 360-degree spinners that glide over any surface and turn on a dime. With 6 interior multi-functional compartments including a removable wet pouch dirty clothes are prevented from coming in contact with all your clean belongings. The integrated TSA lock provides an added peace of mind that your property is safe and secure. Simply snap the heavy-duty zipper pullers into the combi.

Quantity: 1
