**LOT P33 - Berkley 7 Lightning Rod Spinning Rod, One Piece Spinning Rod**

**Item Condition** New

**Description**

Size: 7' \$70 BERKLEY Lightning 7 spinning rod. Moderate Fast action. 8-14LB LINE RATING, MEDIUM POWER. Lure rating of 1/4-5/8 oz. 24-TON CARBON FIBER: Carbon

graphite fibers create a more lightweight rod blank. This mutli-modulus composite construction provides great responsiveness without compromising on durability, so you can always reel in your catch. 8 DURABLE GUIDES: Stainless steel guides with aluminum oxide inserts give this rod added strength and control when in action, and a smoother cast every time. DEPENDABLE REEL SEAT: Double Up-locking reel seat provides added balance to any lightweight rod, creating a stable and dependable anchor point for the reel. SLIP RESISTANT ROD HANDLE: Type-C Rubber Cork rod handle for a firm, secure grip. The rubberized cork handle provides added sensitivity and a tacky, non-slip grip, even when wet. ONE PIECE FISHING ROD: Designed for increased reactivity that'll help get the job done. THE LIGHTNING SERIES: Provides the perfect blend of sensitivity and durability all in one lightweight rod..
