LOT G142 - Edison 72 in. Antique Brass Floor Lamp

Item Condition New

Description

\$200 Creating an authentic look and feel to that of a genuine incandescent light bulb, this floor lamp is finished with an antique brass accent to mimic the look of a bulb base. This playful floor lamp includes a vintage-style LED Edison bulb within its clear glass shade, creating bright accent lighting for your living room, bedroom, home office and more. When illuminated, the clear glass allows light to shine in all directions, illuminating the entire room. On/off rotary switch located below the glass. Socket is rated for medium base (E-26) 100-watt maximum bulb. A 6-watt LED Vintage Edison bulb is provided with 500lumens, a 90CRI, and 2700K color temp.. Modern industrial floor lamp resembles an incandescent bulb. Includes an LED Edison bulb for a warm, atmospheric glow. Unique bulb-in-bulb appearance. Crystal clear glass shade looks like an oversized light bulb. Antique brass finish gives a vintage touch. Convenient on/off pole switch for quick and easy operation. Perfect for Mid-Century Modern, modern, contemporary, industrial, or urban design. Click here for more information on [Electronic Recycling Programs](#) . Number of Lights: 1 Light. Compatible Bulb Type: LED.

Lamp Base Material: Metal. Style: Industrial. Compatible Bulb Type: Incandescent.
