LOT P166 - Bass Pro Shops Panfish Elite Spinning Rod - 6' - Ultra Light

Item Condition New

Description

\$80 Finally, a pro-level rod worthy of a true panfish specialist. Our Bass Pro Shops Panfish Elite Spinning Rod directly addresses the needs of trophy fishermen targeting bull bluegills, dinnerplate crappies, filleting-size perch, and so on. Every component is geared toward getting the best of these smaller fighters, starting with our RT3 Graphite rod blank. Extremely light and sensitive, it enables delicate presentations involving small baits and tight spaces, yet has the backbone to get a big gill out into open water. Super-lightweight Fuji FaZlite guides feature Corrosion Control frames that are 7X more resistant than stainless steel; FaZlite inserts provide optimum hardness for smooth line flow at all times. Every Panfish Elite Spinning Rod boasts a Fuji TVS skeletal reel seat to ensure plenty of direct finger-to-blank contact, flanked by a lightweight EVA split-grip with X-wrap exterior and a cork-rubber butt, for maximum comfort and control. If you're serious about chasing panfish, this is definitely the rod for you. A pro-level rod for the panfish specialist. Extremely light, sensitive RT3 Graphite blank. Fuji FaZlite guides with Corrosion Control frames. FaZlite inserts

provide smooth line flow. Fuji TVS skeletal reel seat. EVA split-grip with X-wrap. Cork-rubber butt.
