LOT M96 - 12W Line Voltage Bronze Integrated Outdoor LED Bullet Flood Light and Adjustable Mounting Bracket for Landscape Lighting

Item Condition New

Description

\$48 Get energy-efficient, heavy-duty outdoor illumination with our LED Weatherproof Bullet Flood Light with Adjustable Mounting Bracket. The 12-Watt high lumen LED bulb is equivalent to 175-Watt incandescent flood light in strength and coverage, making it the ideal LED outdoor light for yards, gardens, walls, signs, and landscape lighting. The adjustable mounting bracket lets you direct the light exactly where you need it and it mounts securely to 1/2 in. Weatherproof boxes. Illuminate your home at night with the warm glow of 3000K Soft White LED flood lights outdoors. It comes with a frosted lens, 40 degree beam angle, and lasts 20 times longer than a halogen flood light bulb. This outdoor lighting product is housed in heavy-duty, die-cast aluminum with a rust-resistant bronze finish, giving you powerful lighting for minimal attention and practically no maintenance. The 1400-lumen LED flood light bulb is rated to last for 50,000 hours of use. That means it could potentially last you 22 years and yet only rack up an estimated energy cost of \$2.89 per year. That's powerful and

energy-efficient lighting for the yearly cost of a cup of coffee!Get your Commercial Electric 12W Bronze Integrated Outdoor LED Weatherproof Bullet Flood Light today and refit your home with beautiful, energy-saving illumination..
