**Item Condition** Open Box - Not Tested

### **Description**

Size: Queen \$551 Healthy Sleep : The mattress features CertiPUR US Certified foam and fiberglass-free materials for a healthy sleeping environment. Top cover adopts breathable and moisture-absorbing knit fabric, allowing the mattress to breathe freely, promoting a dry and rejuvenating sleep experience. Medium Firmness : This 12-inch medium-firm hybrid mattress seamlessly integrates plush foam and high-density support foams, offering even, head-to-toe support. It caters to various sleeping preferences with its balanced combination of firmness and cushioning. The mattress edges are reinforced with strengthened spring coils to enhance edge support and prevent sagging. Isolated Motion : The individually pocketed coils in this queen bed mattress operate independently to isolate movements and effectively absorb disturbances caused by tossing and turning. Regardless of your partner's or child's activity during the night, enjoy an undisturbed sleep and wake up refreshed.

Supportive Body Alignment : With its ergonomic design, our queen bed mattress provides exceptional support by conforming to the natural curves of your body. The comfort foam layer adapts to your body's shape in every position to provide a whole night of comfortable sleep..
