### Description

Size: 48x24WholePiece \$150 SPACIOUS ONE-PIECE DESKTOP: Spacious 48 x 24 eco-friendly whole-piece desktop offers a roomy setup for 2 monitors and a laptop so you can spread out and calmly take on the challenges of the work day. Please allow a slight 0 to 1-inch difference in desktop size due to manual measurement. ELECTRIC HEIGHT ADJUSTABLE LIFT SYSTEM: The motor lift mechanism offers smoother height adjustments, from 28.9" to 46.5" (with 0.63 thickness of table top included), at a speed of 0.6"/second with low noise (under 50 dB) while running. SOLID CONSTRUCTION: An industrial-grade steel frame combined with a solid desktop allows for a 154 lbs weight capacity to support your ideal workspace setup. BUILT FOR WORK FROM HOME: The perfect standing desk to allow independent and remote workers to stay active, healthy, and productive while working from home. Precisely adjust your desk to your height and insert healthy movement into your day. EASY INSTALLATION AND TECHNICAL SUPPORT: A detailed sit stand desk installation video has been uploaded for reference. Assembly tools and detailed instructions are included in the package. Please do not hesitate to contact us with any questions during assembly and use..
