LOT S156 - ZPISF G40 String Lights for 2023 Marquee Light Up Numbers - 4 Pack
92" IP44 Waterproof and Shatterproof Battery Operated String Lights for
Outside, Bedroom, Graduation, Party, Prom Decor

Item Condition New

Description

PERFECT FOR ZPISF 2023 MARQUEE NUMBERS - These LED string lights are designed to be used with our ZPISF 2023 foamboard marquee light up numbers, which has 8 pre-cut 1-inch holes that perfectly fit the bulbs and can also add a warm touch to your graduation decor. CONVENIENT & FLEXIBLE ARRANGEMENT - This LED string lights set comes with 4 strings, each with 8 hanging sockets spaced 1ft apart and a 7.9" tail wire with a female connector, making it easy to use and set up in various arrangements. BATTERY OPERATED - Our patio string lights are battery operated, requiring only 2 AA batteries (not included) to provide long-lasting illumination, and the G40 bulbs are made of durable plastic making them shatterproof and IP44 waterproof. PORTABLE DESIGN - Because these outdoor led string lights are battery operated, you can take this string light set with you wherever you go making them perfect for outdoor activities like camping and picnics and for adding ambience to your

RV or cabin. SAFE AND LOW VOLTAGE - The patio lights are 3V low voltage, free to touch, and provide warm white light that is safe to use, and its updated power-saving LED Globe string lights also save more energy than traditional lights, and have a longer lifespan..
