Description

\$46 Dimensions - 18.7"L 13"W 2"H. Cast iron cooking griddle for Weber grill. Compatible models - The griddle is suitable for Weber Genesis II and Weber Genesis II LX 3, 4, & 6 Burner Gas Grills. NOTE: DOES NOT FIT 2022 Genesis Gas Grills. Please check your grill and measure the dimensions before ordering. Sturdy cast iron construction - Cast iron retains & evenly distributes heat for consistent caramelized food. Care instructions: hand wash. Drain hole and sunken surface - Sunken cooking surface can better prevent food from falling into the furnace, especially when cooking small pieces of food. Drain hole allows excess grease into the oil collection box, preventing flare-ups and making cleanup a breeze. Find the best way to cook your foods - Different foods require different cooking tools. The Grill Griddle Plate replaces one of the grates, allowing you to easily cook pancakes, bacon, scrambled eggs or rice, and grill smoky steak with grill marks at the same time..
