LOT A86 - Corner Shower Caddy Tension Pole: Rust Proof 4Tier Shampoo Storage Organizer for Inside Shower - Telescoping Rod Shower Rack for Bathroom and Bathtub - Restroom Floor Standing Bath Rack Holder White

Item Condition New

Description

Size: 97x13x8 inches \$47 CORNER STANDING SHOWER CADDY: The shower caddy can use the space in the corner of the bathroom to sort and organize toiletries to the greatest extension. You can avoid the situation stacking randomly, suitable for small bathrooms. Keep the bathroom tidy and organized. Space saving organization is best helper for your family. LARGE ORGANIZER SPACE: Shower caddy has 4 large shelves, each shelving can hold 2-3 large 32 oz bottles or 4-5 16oz bottles. Suitable for bath accessories like shampoo bottles, body wash, etc. The sturdy PVC shelf is easier to clean than metal baskets. Extra hooks and towel bars is for towels and razors storage. The shelf of guard can protect the bottles from slipping. RUST PROOF STAINLESS STEEL: Shower caddy tension pole is made by premium 304 stainless steel rods and durable plastic deep tray which can prevent from rusting. Compared stainless steel racks, the shelf won't produce water stains, waterproof and anti-rust. The white design

fits for any styles of bathroom, looks nice and elegant. **FOUR TIER ADJUSTABLE SHELVES** The freestanding shower caddy comes with 10pcs upgraded widened non-slip mat. Even placing the heavy bottle of shampoo, the shelf still has good strong anti-skid effect and won't slip. Adjusting the each shelf height through the non-slip mat holder freely, different sizes bottles can be put into it. **EASY TO INSTALL AND ADJUSTABLE HEIGHT:** The rustproof telescopic pole of the shower caddy has the stable lock knob design, which can adjust the height from 4.9 to 9.9 feet. The top built-in spring has very strong pressure. Fits in bathroom, bathtub, kitchen, hotel and rv. Can be installed within minutes without tools and no cutting rods and won't damage floor and ceiling..
