**LOT U-36-D - Ktaxon Portable Aluminum Non-skid Multifold Wheelchair Ramp
Mobility Scooter Carrier 8FT 96" x 28" - Walmart Business Supplies**

Item Condition Open Box - Not Tested

Description

None The Ktaxon Portable Aluminum Non-skid Multifold Wheelchair Ramp is an exceptionally versatile mobility solution designed to facilitate easy access for individuals using wheelchairs or mobility scooters. Measuring an impressive 8 feet in length and 28 inches in width, this ramp is crafted from high-quality aluminum, ensuring both durability and lightweight portability for effortless transport and storage. Its non-skid surface provides enhanced safety by preventing slips and falls, making it ideal for both indoor and outdoor use. The multifold design allows for quick setup and takedown, ensuring that users can navigate various terrains and thresholds with confidence and ease. Available through Walmart Business Supplies, this ramp is an essential tool for promoting independence and mobility for those with physical challenges..
