HW-Q990B, HW-Q990D, HW-Q930C, HW-Q930B, HW-Q930D, HW-Q910D, HW-Q910B, HW-Q910C, SWA-9500S, SWA-9200S, SWA-9100S, SWA-9000S, SWA-8500S, SWA-8000S, SWA-7000, SWA-6000, SWA-5000, SWA-4000, SWA-3000, SWA-Q950A, PS-SM10, PS-RB96B, PS-KS1-1, PS-RC99B (Notice: Please select the installation method according to the mounting hole on your speaker.) Flexible 2 Placement Options: For the Samsung rear speaker stand also with 2 extra speaker wall mounts, you can choose to place the speakers on the speaker floor stand or mount them on the wall, it ensures even distribution of sound in the space, delivering a more immersive audio effect. Offering diverse placement options to accommodate various room layouts and decor styles. Notice: The speaker wall mount requires the speaker with a keyhole or thread hole which for M6 or 1/4"-20 mounting screws. Tool-free Height Adjustment: The height for use for the Samsung rear speakers stands can be adjusted from 33" to 42", and it requires no additional tools just a knob to make height adjustment a breeze. Placing the heavy duty speaker stands for Samsung on the appropriate ear-level height can also reduce reflections to give you more clear sound experience. Efficient Cable Management: The heavy-duty rear speaker stands for Samsung feature 2 cable management options. Allows you to hide the speaker cables, maintaining a clean and organized appearance to enhance room decor. Additionally, for speakers with thicker cables, the included velcro cable straps provide an extra management solution. Securely fasten thicker wires to the stand with these straps for an orderly arrangement and a clutter-free visual experience. Stability and Safety: For Samsung speakers stand made of heavy-duty steel materials for durability and stability, supports weight up to 5lbs can securely hold your speakers. Stand base features anti-scratch soft foam to prevent scratches and damage to your floors, perfect for all kinds of floor, such as: carpet, cement and tile floor, you can place the stands for Samsung satellite speaker on living room, game room and music room. Easy To Install: For Samsung satellite speaker stand include all the required hardware and detailed instructions, you can assemble it within few minutes.
