Description

\$38 Great Drone Toys for Beginners Kids : X29 Drone is an ideal choice for beginners to start their first drone flying adventure. One Key Start can help users to start flying easily. The upgraded hover system ensures a stable flight at a certain height, making it easier for beginners to control the drone and capture high-quality footage. Cool light design adds more fun to the flying experience. 1080P HD Pictures and Live Videos : Equipped with an adjustable angle 1080P HD camera, X29 Drone can take better aerial photos and videos. Using the "Redrie GO" app and FPV transmission, you can watch live video and control the drone from further distances. Explore the scenery, capture moments, and share the joy with friends. Many Interesting Functions : Explore a variety of captivating features including waypoint fly, gesture selfie, 360 flips, auto-follow, gravity control, 3 speeds, headless mode, and one-button takeoff/landing. You can take selfies by posture or perform thrilling stunt flights. Whether you're a beginner or a skilled player, our drone promises an enjoyable flying adventure. Longer Fly Time and

Safer : Enjoy extended flight time with 2 rechargeable batteries, offering up to 25 minutes of fun. Features with over-current protection, Emergency stop, 4 propeller guards, and low power alarm to ensure a safe and reliable flight. Trusted Flying Partner : For your first flight, we recommend an open area. We offer 24-hour service support for all customers. If you encounter any issues with the Drone, Remote Control, or App, contact the seller for a prompt solution. With its compact size and included storage case, this mini drone makes an excellent toy for friends and family..
