

Sale Name: Christmas Auction - Dublin Va

LOT W-358-D - SRM Echomatic Pro Trimmer Replacement Head

Item Condition Open Box - Not Tested

Description

\$36 The ECHOmatic Pro is designed for more demanding tasks over the standard ECHOmatic head. With a maximum line diameter of .130 in., tough grass and weeds are no match for this unit. This easy to load, bump-to-advance system reduces downtime so you get more done in less time. The 2 piece head construction with a partitioned spool reduce line tangles for even more efficiency. For use with ECHO SRM model trimmers only.. For questions about service and repair, please call Echo at 1-800-432-ECHO or reference the Service & Repair document. Ideal for homeowners and commercial landscapers. Bump feed line system designed for demanding tasks. Accepts 20' of .095 in. Line. Maximum line diameter of .130 in.. Shop Echo Gas Chainsaws Here.
