Description

Advanced Axial Fan Technology : Featuring the latest motor and axial fan technology, this leaf blower delivers higher air volume and faster heat dissipation than traditional centrifugal fans. With a blow speed of up to 580 CFM and 160 MPH, it easily tackles a variety of cleaning tasks. **Extended Battery Life & Safety Features :** Comes with 2 X 4.0 Ah lithium batteries that can be used alternately, providing up to 120 minutes of continuous operation on low speed. The power indicator lets you monitor remaining battery life and charging progress. A built-in protection system automatically cuts off the motor and battery to extend their lifespan, ensuring safe and worry-free use. **Ultra-Lightweight & Portable Design :** Weighing just 4.3 lbs, the ultra-light handheld electric leaf blower is easy to lift and operate with one hand. The non-slip handle ensures comfort and balance, while the adjustable shoulder strap reduces strain on your hands, making it a reliable helper for both indoor and outdoor cleaning. **Easy to Operate & Versatile :** Simple to assemble just insert the battery and connect the nozzle to start. Offers three adjustable speeds, so you can choose the perfect setting for the task at hand. A removable extension tube is also included, allowing for additional reach when needed. **Complete Package :** Includes 1 leaf blower body, 2*4.0 Ah lithium batteries, 1 charger, 1 extension tube and nozzle, 1 base, and an adjustable shoulder strap. A user manual is also provided for quick setup..
