LOT O-193-D - Spin Light 10 in. High Output 4000 Lumens Black LED Flush Mount Ceiling Light with 3 Adjustable Heads 5000K

Item Condition New

Description

\$64 Commercial Electric 10in. Spin Light Integrated LED fixture with 3 Adjustable Light Heads is designed to screw into most existing plastic and porcelain medium base socket lamp holders without any wiring required; just like a light bulb! (optional direct wire adaptor included). Simply screw the threaded base on the fixture body clockwise into the keyless lamp holder. Adjust the 3 light heads to direct the beam angle where desired from 0 to 90°. This fixture replaces (3) outdated 75W incandescent bulbs with crystal clear energy-efficient LED technology. It lasts up to 50,000 hours and is maintenance free with no bulbs required. Great for garage, basement, attic, or shed.. Actual Color Temperature (K): 5000. Actual Color Temperature (K) - Color Temperature: 5000K - Daylight. Color Rendering Index (CRI): 80. Color Temperature: Daylight. Commercial/Residential: Commercial, Residential. Damp/Wet Rating: Damp Rated. Dimmable Capability: Non Dimmable. Features: Adjustable Lamp Head(s). Fixture Color Family: Black. Fixture Color/Finish: Black. Fixture Material: Acrylic. Glass Type: No Glass.

Included: Installation Instructions. Indoor/Outdoor: Indoor. Integrated LED Type: Standard. Light Bulb Type Included: Integrated LED. Lumens: 4000. Max.

Quantity: 1
