Description

Dimension: 31.65 in x 7 in x 5.6 in (L x W x H) Size: 9.5 L x 9.5 W x 31.6 H 5.7 lbs \$55

Customized Comfort: Features electronic controls and 3 quiet heat settings. Auto-Off

Timer: The electronic timer can be set for up to 12 hours. Full Room Coverage:

Widespread oscillation ensures every corner is covered. Thermostat: Maintains desired

room temperature while using less energy. Remote Control: Operates all heater

functions effortlessly from a distance. Customized Comfort with Lasko 32" Digital

Ceramic Tower Electric Space Heater. Experience the convenience of personalized

temperature settings with the Lasko 32" Digital Ceramic Tower Electric Space Heater.

It boasts three heat settings and a user-friendly digital display, allowing you to adjust

the warmth to your specific needs. This heater also features an auto-off electronic

timer that can be set for up to 12 hours, ensuring worry-free warmth and energy

efficiency. Intuitive and Unobtrusive Digital Display. The digital display of this heater is

designed to be user-friendly and non-disruptive. It automatically dims after 10 seconds

and lights up again with a simple touch, keeping you informed without disturbing your

space. The widespread oscillation provides full room coverage, ensuring every corner

of your room is blanketed with soothing warmth. Adjustable Thermostat and Convenient Remote Control. Set your preferred temperature and let the adjustable thermostat maintain it efficiently, providing consistent comfort without the need for constant adjustments. The heater comes with a multi-function remote control for effortless management of all heater functions from a distance. The remote can be conveniently stored on the back of the heater to avoid misplacement. Versatile and Safe Heating Solution. This electric space heater is ideal for medium to large rooms, including bedrooms, living rooms, and offices. It features a built-in carry handle for easy portability. Safety is a priority with the inclusion of a tip-over switch, a safe ceramic element, overheat protection, and cool-touch housing, ensuring a secure and worry-free heating experience. Powerful Heating. With 1500 watts of power, this heater quickly warms your space, making it cozy and comfortable even on the coldest days. Enjoy the perfect blend of functionality, safety, and style with the Lasko 32" Digital Ceramic Tower Heater..
